

2017

## Main Street in Bloom Project

### "Bloomed" Main Street Businesses

On behalf of the residents of the Village of Williamsville, we recognize and thank these Main Street businesses for their outstanding job in beautifying their streetscapes for the 2017 season by adding potted plants & gardens, thus making the Village Main Street experience a "greener" and more pleasant place to walk, shop, dine, and do business in.

#### **Bloomed...**

Nest in the Village, 5436 Main St.
